

# Steinreich Bibelschule 2025 Course Plan for full-time Students

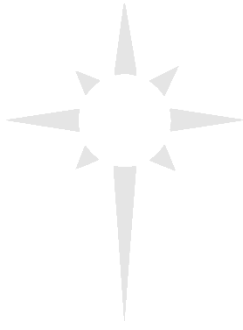

A full year requires 17+ credit hours (graduating requires 70 full credits).

To take a course for **credit** means, the student gets the credits achieved completing all the course assignments (homework, exams, etc).

**Auditing** a course means, the student doesn't get any credit and only requires regular attendance and class participation; no assignments or exams.
