

NEWSLETTER 2020 JANUARY

A new year has come and with it another SBS school term has begun. Our doors opened on January 5th with the traditional opening ceremony. Students and staff came from far and wide to be part of this day and the beginning of SBS 2020. Cornelio Reimer made his first public appearance at the ceremony as the new president of Steinreich Bibleschool and we are excited to see where he will lead the school in these coming years.

Opening Day 2020

Sainapuchi

The first week of school was full, but ran smoothly with the strong and inspiring team of staff and faculty that the school is fortunate enough to have. The administrative staff worked to make sure everyone had what they needed while the faculty began their classes. Student leaders met with their groups for the first time and the student council was elected and promptly went to work.

Birthday Night

In January alone, the student council has organized 3 events. The traditional Sainapuchi Trip on the 18th. A Birthday celebration for everyone on the 24th. And something which has never been done before: a short mission trip to Huahuachérare. Huahuachérare is located in the Mountain Range about 6 hours South of SBS and in it we find a boarding school with 132 students. This year the children, many of whom walk days to reach the school, didn't receive the usual donation of school supplies from the government. A supporter of the school reached out to our Director Cornelio Schmitt for help, who in turn asked the student council to take over the project. The council prepared a tote bag full of not only school supplies, but also an illustrated book of Bible stories for each student. The student body was then given the opportunity to pay for a bag and write a Bible verse on it for the receiving child. On the 24th a small group made their way to Huahuachérare where they were lucky enough to see the smiles of the grateful children as they handed out the bags.

Trip to Huahuacherare

A delightful donation was gifted to the Steinreich Bible School this year. After more than 20 years of hard work, Radio Segenswelle from Germany has finished and published the second Low German Bible. Radio Segenswelle gave 500 of these Bibles to SBS to distribute among their staff, students and whoever will read it. Astounding attention to detail has been put into these Bibles and they are a blessing to everyone who receives one.
