

June and July brought hope to Steinreich Bible School as we once again were able to welcome groups onto our yard. To have the campus filled with people who are eager to learn more about God's Word inspires us to do likewise. The joy they brought with them is contagious and we are grateful for the boost their smiling faces provided.

## Ladies' Conference

The first event that took place during these months was a ladies' conference on June 24th. More than 500 ladies attended the event to learn more about love and respect in marriage. The ladies enjoyed the day in each others company and the host group deemed the event a success!

Next, Summerbibleschool came to visit for an entire month! From June 29th - July 24th the enthusiasm of a record breaking 461 children livened our place up. Here are some statistics to give you an overview:

# Summer Bible School

## Week 1

Number of Kids: 103  
Age: born in 2011-2013  
Volunteers needed: 25  
Theme: Armor of God  
& Concrete and Cranes

Age: born in 2005-2006  
Volunteers needed: 27  
Theme: Armor of God,  
Temptation & New  
Birth

Summerbibleschool is more than just statistics. During these four weeks, through the material, with the help of the volunteers and due to the Holy Spirit many children and youth made the decision to follow Jesus; some decided to rededicate their lives to become better followers of Jesus and all of them heard of the Hope found in the Bible.

We thank God that we were able to host these amazing events. Regrettably two groups, Deaf Camp and a Spanish Summerbibleschool, who had scheduled their weeklong events for the Summer cancelled due to the pandemic. We longed to have them with us, but our prayer now is that the events which have been scheduled for the fall may continue. Our positive faith is that God will hear and answer this prayer.
